PURPOSE

The purpose of this policy is to:

- provide an outline of the complaints process at Brinbeal Secondary College so that students, parents and members of the community are informed of how they can raise complaints or concerns about issues arising at our school
- ensure that all complaints and concerns regarding Brinbeal Secondary College are managed in a timely, effective, fair and respectful manner.

CONTEXT STATEMENT

Located in the Wyndham growth corridor of Tarneit, Brinbeal Secondary College provides students from the Tarneit community a wide range of diverse and outstanding opportunities in an orderly and inclusive learning environment that promotes and fosters educational attainment and academic excellence for all.

We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be student focused
- be resolution focused and attempt to preserve working relationships
- act co-operatively and in good faith

- operate within, and seek reasonable resolutions that comply with, all applicable legislation and department policies.

Complaints and concerns process for students

Brinbeal Secondary College acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Brinbeal Secondary College encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with their classroom teacher, Student Engagement Leader, Wellbeing staff, a member of the leadership team, Education Support staff or the Assistant Principal and Principal. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you. Assistance is provided to students with a disability via verbal briefings and/or visuals where deemed necessary.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carers complaints and concerns process is outlined further below. The parent/carers process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- talking to a member of the student representative council about your concern and any suggestions you have for resolving it
- participating in our Attitudes to School Survey
- participating in our student voice meeting held on a regular basis

Further information and resources to support students to raise issues or concerns are available at:

Complaints and concerns process for parents, carers and community members

Preparation for raising a concern or complaint

Brinbeal Secondary College encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and Brinbeal Secondary College (see “Further Information and Resources” section below).
- request the assistance of a translator where necessary.

Support person

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details, and their relationship to you. To ensure families can engage positively and fully with the school, the school can arrange for translation services to be made available to families where needed or requested.

Raising a concern

Brinbeal Secondary College is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to the Student Engagement Leader, Assistant Principal or Principal. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or their nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised. In some instances, the leadership team may reach out to subject matter experts for advice. The school may also reach out to the complainant for further information or to clarify concerns.
- 3. Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal or Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you

to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

In some instances, the school in consultation with the region may suggest mediation, conciliation or other alternative methods of resolving the complaint based on the complexity and urgency of issues raised in the complaint.

4. **Timelines:** Brinbeal Secondary College will acknowledge receipt of your complaint as soon as possible and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Brinbeal Secondary College may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Brinbeal Secondary College will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g., vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Brinbeal Secondary College may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Brinbeal Secondary College may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the principal and you do not want to raise it directly with them, you may contact the department by phone on [1800 338 663](tel:1800338663), via the [Enquiries form](#) or by email at enquiries@education.vic.gov.au.

Brinbeal Secondary College may also refer a complaint to **South Western Victoria Region** if we believe that we have done all we can to address the complaint.
