PURPOSE

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

All Brinbeal Secondary College staff, volunteers, contractors, service providers (including allied health professionals), school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

CONTEXT STATEMENT

Located in the Wyndham growth corridor of Tarneit, Brinbeal Secondary College provides students from the Tarneit community a wide range of diverse and outstanding opportunities in an orderly and inclusive learning environment that promotes and fosters educational attainment and academic excellence for all.

Brinbeal Secondary College is a Supported Inclusion School (SIS). A SIS is a local government school with additional professional capabilities and facilities designed to cater to a higher proportion of students with disability (up to 10%). Students with a disability will be provided with enhanced support to receive high-quality, evidence-based educational provision alongside their peers without disability in a safe, accessible and supportive environment.

Brinbeal Secondary College can enrol 1,300 students, including 100 places for students with disability.

students who are unable to live at home and lesbian, gay, bisexual, transgender and intersex (LGBTIQ+) students

- understanding and complying with all reporting and disclosure obligations (including mandatory reporting) in line with our Child Safety Responding and Reporting Policy and Procedures and the [PROTECT Four Critical Actions](#)
