Help for non-English speakers If you need help to understand the information in this policy, please contact the General Office.

PURPOSE

To explain to parents/carers:

- how Brinbeal Secondary College collects, uses and discloses photographs, video and recordings of students
- when parent/carer consent is required before photographing, filming and recording students
- how consent can be provided and withdrawn.

CONTEXT STATEMENT

Located in the Wyndham growth corridor of Tarneit, Brinbeal Secondary College provides students from the Tarneit community a wide range of diverse and outstanding opportunities in an orderly and inclusive learning environment that promotes and fosters educational attainment and academic excellence for all.

Brinbeal Secondary College is a Supported Inclusion School (SIS). A SIS is a local government school with additional professional capabilities and facilities designed to cater to a higher proportion of students with disability (up to 10%). Students with a disability will be provided with enhanced support to receive high-quality, evidence-based educational provision alongside their peers without disability in a safe, accessible and supportive environment.

Brinbeal Secondary College can enrol 1,300 students, including 100 places for students with disability.

SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students. It does not cover the use of Closed-Circuit Television (CCTV). The use of CCTV is covered in our school's [CCTV policy](#). Nor does it cover the use and disclosure of photographs, video and recordings of adults

POLICY

There are many occasions during the school year where Brinbeal Secondary College staff photograph, film or record students participating in school activities or events, for example: classroom activities, sports events, performances, excursions, camps, awards presentations. We do this for many reasons including: to celebrate student participation and achievement, showcase learning programs, document a student's learning journey, communicate with our parents/carers and school community in newsletters, on the school website or social media pages. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Brinbeal Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014 (Vic)*. It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

CONSENT

The Photographing, Filming and Recording Students Consent Form is provided by Brinbeal Secondary College at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting the General Office (phone: 8001 3333 or email: Brinbeal.SC@education.vic.gov.au). If consent is withdrawn verbally, the school will make a written record of this. However:

- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

MEDIA

The media, or the Department of Education's media team, may seek to photograph, film or record students for a news story or school event. This may include broadcast media, online or social media or print media, including newspapers and magazine publications.

When Brinbeal Secondary College receives such requests, our school will:

- provide parents/carers with information about the organisation involved and when and for what purposes the photography, filming or recording will occur
- seek prior, express parent/carer consent in writing.

Students will only be photographed, filmed or recorded by the media at school if express consent is provided for that specific media event. Neither the school nor the department own or control any photographs, video or recordings of students taken by the media.

On occasion, the school may agree to research projects being conducted at the school. If this occurs, parent/carer consent will be sought for student participation, including any photography or recording of students.

CLOSED CIRCUIT TELEVISION (CCTV)

Parent or carer consent is not required for a school to install CCTV. However, Brinbeal Secondary College has CCTV installed on the external buildings. Brinbeal Secondary College will inform the school community of the intention to install CCTV inside the College buildings through the newsletter. Our school's CCTV system is managed in accordance with the department's [CCTV Installation and Management Policy](#). Further information about how CCTV is managed and operated is available in our CCTV Privacy Notice.

OTHER EXTERNAL COLLECTION, USE OR DISCLOSURE

- provide parents/carers with information about the event or activity, the organisation involved and when the photography, filming or recording will occur
- seek prior, express parent/carer consent in writing.

OFFICIAL SCHOOL PHOTOGRAPHS

Each year, early in Term 1, Brinbeal Secondary College will arrange for a professional photographer to take official school photographs of students. This will individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards and student identity verification letters
- stored on CASES21 for educational and administrative purposes.

Brinbeal Secondary College will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs. Parents/carers who choose to opt out of having their child participate in official school photographs must contact the Principal on 8001 3333 before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.

IMAGES TO MANAGE STUDENT BEHAVIOUR OR FULFIL OUR SCHOOL'S LEGAL OBLIGATIONS, INCLUDING CHILD SAFETY

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:

- for identification purposes, when necessary to implement discipline and/or behaviour management policies.

Brinbeal Secondary College does not require or obtain consent from parents/carers or students to photograph, film or record students, or to use these images, for these reasons. However, when Brinbeal Secondary College photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is necessary, reasonable and appropriate in the circumstances.
